Mark Hamilton: Fitness instructor on a cruise ship¹

I thought about working on a ship after I watched a TV documentary about life on a cruise ship. It seemed really exciting. At the time I was working at my local gym. I enjoyed the job, but I'd been there for a few years, I'd never lived in a different town and I'd never been abroad. I really liked the idea of travelling and seeing the world.

I looked on the Internet and found a website with hundreds of jobs on cruise ships. I applied for a few jobs but didn't get any. I then decided to give up my job in the gym and go on a trip around Australia. I wanted to get some experience of travelling. My boss was great and said I could go back any time, but luckily, when I returned from my trip, I got the next job I applied for. It was as a fitness instructor on a cruise ship going to the Caribbean.

Life on a cruise ship is busy, but that's what makes it exciting. A typical cruise ship has hundreds of employees from sailors to waiters and hairdressers to tour guides. I love the variety of my work. I teach aerobics, yoga, and fitness and I'm also a personal trainer in the gym. I work twelve hours a day and have two days off per cruise for sightseeing, but that's enough for me. It's always great to come home, because I miss my friends and family, but then I love leaving again too.

- 1- How did a documentary on TV changed his life?
 - A. He wanted work on a cruise
 - B. He wanted to become a sailor
 - C. He wanted to work in a gym
 - D. He wanted to be a captain

- 2- At the moment of watching the documentary
 - A. He was travelling on a cruise
 - B. He ruled his own gym
 - C. He worked in a gym
 - D. He was unemployed

3. What is the writer's main purpose in writing the text?
 - A to describe his life on a cruise ship
 - B to talk about health and fitness

PART 2:

The people below all want to go on a day trip.

You can see details of places to visit.

Decide which place would be the most suitable for each person. There are ten questions, each worth 2 marks (Total of 10 Marks).

1. Marco studies physics and is interested in anything to do with science. He'd like to visit somewhere to see some examples of early mechanical engines.
2. Gemma wants to take her 5-year-old to see some animals. She'd also like to look around some shops to buy something for her mother's birthday.
3. Ingrid's eldest daughter is learning about English history and would like to go somewhere to bring this subject to life. Ingrid is really interested in flowers.
4. Trevor is an artist and enjoys drawing wildlife. He recently visited a zoo and drew large animals and would like to try sketching something smaller.
5. Sarah and her husband would like to spend the day outdoors. They don't like going on rides but are both interested in history and how people used to live.

Places to go this summer²

See what's on in the West Midlands this summer:

A: Stratford Butterfly Farm

The biggest butterfly farm in Europe. Whatever the weather come and see these beautiful creatures as they would live in their natural environment. Walk around a tropical rainforest as butterflies fly freely around you. See them as they come into the world in the Caterpillar Room. And don't miss Insect City where you can view huge spiders and our very own scorpion colony!

B: National Sea-Life Centre

You wouldn't expect to bump into a hammerhead shark whilst visiting Brum city centre. But yes, it's true, The National Sea Life Centre in Birmingham is the only aquarium in the UK where you can see this creature along with our Sea Dragons from Australia and baby stingrays from the Amazon. We guarantee an experience you'll never forget.

C: Coventry Transport Museum

Coventry Transport Museum hosts the world's largest transport collection. A day out here will give you the chance to see some of the earliest motor cars as well as more modern vehicles like the De Lorean 'back from the future' car. You can also design your own car and experience what breaking the sound barrier at 763 miles an hour feels like.

D: Warwick Castle

Regarded by many as Britain's greatest Medieval Castle. Visit exhibitions, climb the castle towers, relax as you walk around the gardens, designed and created in 1753 by Capability Brown. Experience the preparations for battle in the Kingmaker exhibition or witness a Victorian Royal Weekend. And if your interest is more in the darker side of the Castle's history visit The Castle Dungeon.

E: ThinkTank

At Thinktank you will find four floors of hands-on exhibits and historical collections that will amaze and inspire you, showing you the science of the world all around us from the past, the present and the future. From galleries and exhibitions to an exciting programme of events and activities, there is something for everyone to enjoy, whether your interest is steam engines, looking into deepest space or seeing how doctors perform life-saving surgery.

F: Drayton Manner

One of the UK's most popular attractions. The park is home to some of the scariest rides you'll find like Stormforce 10 and Apocalypse, which has been voted the UK's most frightening ride. You'll also find an indoor and outdoor play area and of course, Drayton Manor Zoo with over one hundred different species, including twelve rare breeds from across the world. .

G: Hatton Country World

If you're keen on seeing unique crafts and craft work side-by-side with antique shops and a traditional butchers shop, Hatton Country World is the place for you. As well as these wonderful
